OTTAWA - JUL 3 1930

MEMORANDUM:

Request for Transfer of Dominion Lands under Section 27 of the Soldier Settlement Act.

Re: Leopold Livingstone,
H.E. 25-35-16 W.4th (Man.)
S.E. 25-35-16 W.4th (S.)

The above-described lands were secured by this settler under homestead and soldier grant entries. The settler has made default in the terms of his agreement with the Board and abandoned the land. His agreement has been rescinded.

The settler was established with a loan in March, 1919, and in due course secured advances from the Board amounting to $950.40, as follows: stock and equipment, $933.32; special advances, $17.08. As security the Board holds a charge on the settler's homestead and soldier grant. There is no other land security held by the Board in this case.

In April, 1925, the Field Supervisor reported that this settler was a poor manager, not willing to accept advice, and, therefore, his progress had been slow. It was the Field Supervisor's opinion that the settler would never make a success of farming. In July, 1925, it was reported that the settler had abandoned his farm and left the district and from information received it was believed that he had gone to the United States. Adjustment proceedings were instituted and the usual Thirty Day Notice was addressed to the settler on the 1st December, 1925, to which no defence was filed.

The settler's indebtedness to the Board amounts to $769.10. In addition there are arrears of taxes and administration expenses which have not yet been charged against his account. There has been no recent appraisal of the homestead and soldier grant, but the Field Supervisor for the district states that land in that district may be homesteaded or purchased for a small amount of taxes, and that the district has practically depopulated during the past ten or fifteen years. He does not say what the selling value of the land is but places a nominal value of $300.00 at the outside for this half-section. No arrangements have been made for the disposal of this land and no offers have been received.

The land in question being charged land within the meaning of Section 27 of the Soldier Settlement Act, and the settler being in default with respect to the terms and conditions of his agreement made with the Board, it is hereby requested that the right, title and interest of the said settler in the above land be forfeited and the said right, title and interest of the settler and also the right, title and interest of His Majesty to and in the said charged land be vested in the Board.

The Board has an effective charge on the land under the recent amendment to Section 26 of the Act, as all the advances referred to in the second paragraph hereof were made to the settler subsequent to his entries for his homestead and soldier grant.

A Vesting Order for signature is attached hereto.

made by the Board found and determined that the settler has made default as hereinbefore recited and that the right, title and interest of the said settler to or in the said charged land should therefore be forfeited.

Memorandum:

Request for transfer of Dominion Lands under Section 27 of the Soldier Settlement Act.

Re: A.F. Ryworth,
S.E.¼ 17-30-4 W.4th - Sel.

The above described land was secured by this settler under homestead entry. The settler has made default in the terms of his agreement with the Board and abandoned the land. His agreement has been rescinded.

The settler was established with a loan in December, 1919, and in due course secured advances from the Board amounting to $4200.67; as follows: land purchase, $1775; permanent improvements, $525; stock and equipment, $1358.52; special advances, $570.00. As security the Board holds a charge on the settler's homestead. The only other land security held by the Board is title to the S.E.¼ 24-30-4 W.4th.

Subsequent to establishment the settler complained of failing health. He stated that he was unable to carry on and requested to be relieved of further responsibility in connection with the farm. He executed a Quit Claim Deed to the purchased land on the 17th September, 1920. His agreement with the Board was rescinded pursuant to a Thirty Day Notice forwarded to the settler on the 7th of January, 1921, to which no defence was filed.

The settler's indebtedness amounts to $4,513.50. The purchased quarter was appraised in 1920 at $2,311. The homestead was appraised in that year at $1125. There has been no recent appraisal of the homestead, but it is described as a south quarter-section in a poor district and unfit for agricultural purposes. No arrangements have been made for the disposal of the land and no offers have been received.

The land in question being charged land within the meaning of Section 27 of the Soldier Settlement Act, and the settler being in default with respect to the terms and conditions of his agreement with the Board, it is hereby requested that the right, title and interest of the said settler in the above land be forfeited and the said right, title and interest of the settler and also the right, title and interest of his widow to and in the said charged land be vested in the Board.

The Board has an effective charge on the land under the recent amendment to Section 27 of the Act, as all the advances referred to in the second paragraph hereof were made to the settler subsequent to his entry for his homestead.

A Vesting Order for signature is attached hereto.

ELIGIBILITY FOR SOLDIER GRANT ENTRY:

"Settler" means a person who at any time during the war has been therein engaged on active service in a military force:—

(1) of Canada—and has served out of Canada; or, wherever he may have served is, by reason of disability incurred or aggravated as the result of such service in receipt of a pension; or,

(2) of His Majesty or of any of His Majesty's Allies—and, being ordinarily resident in Canada when he enlisted in or otherwise became a member of such force, has served thereafter out of Canada, in a theatre of actual war; or,

(3) of His Majesty or of any British Dominion or Colony—and has served out of the country wherein he enlisted or otherwise became a member of such force in a theatre of war; and has been otherwise than dishonourably discharged from such force, or has been permitted to honourably resign or retire therefrom, or, without fault on his part, has been dispensed from further service therein; and the widow of any person who died on active service and who, but for his death, might be a settler as now defined, shall be capable of being a settler in her deceased husband's right.

Soldier entry on Dominion Lands under the provisions of these Regulations may be granted to any person certified to be a "Settler" by the Board, but unless the Board shall for special reasons otherwise recommend, no such free grant shall be made to any settler who,—

(a) has pursuant to the provisions of the Soldier Settlement Act, 1919, purchased from the Board any land; or,

(b) has pursuant to the provisions of the said Act or of the former Act, secured from the Board any advance of money for the clearing of encumbrances on, or the purchase of, or the improvement of, any land; or,

(c) is owner of or has a vested possessory interest in agricultural land of such area as, in the opinion of the Board, constitutes an average farm for the district within which the land is situated, or which, in the opinion of the Board, is of the value of five thousand dollars.

Unless otherwise determined by the Board, every applicant for soldier entry shall be required to make a declaration in the form prescribed by the Board that he is not by reason of the foregoing provisions debarred from such entry. Where such declaration is subsequently found incorrect in any material particular the entry, if granted, shall be liable to cancellation.

Regulations relating to conflicting claims by adjoining settlers

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows:—

CONFLICTING CLAIMS

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective entries, or the commencement of residence in the case of squatters before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate for entry for such land until the close of the office hours of the day on which the prior right of entry is considered; or until the evening of the following day:

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or a local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person by reason of the priority of date of his entry for or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub-Agent or local representative has been received.

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board:

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected, but refer the matter to the Board for consideration.

S.S.B.File No. 4-2008

OTTAWA - 17th January, 1924.

THE HONOURABLE CHARLES STEWART,
Minister of the Interior,
O t t a w a .

MEMORANDUM:

Request for Transfer of Dominion Lands.

Re: Frank J. Young #[illegible]
N.E. 35-66-24 W. 4th M. - S.S.
Lot 15-67-24 W. 4th M. - Rd.

The above named settler secured advances from the Board totalling $[illegible], the Board taking a charge upon his unpatented soldier grant and homestead above described. Owing to such charge patent to the soldier grant and homestead cannot be issued to the settler until his indebtedness to the Board has been fully discharged.

We are now in receipt of an application from Mr. Young, requesting that patent to his soldier grant and homestead should be issued in favour of the Board. Mr. Young states that he has completed all duties in connection with his soldier grant and homestead and would be entitled to receive patent therefor were it not for our charge. This is confirmed by the letter from the Secretary of the Department to the settler, dated the 4th January, 1924, copies of which are attached hereto.

In order to enable a settler to negotiate a sale of land in cases of this character, special Regulations were promulgated by the Board as approved by the Governor in Council on the 4th day of June, 1921 (P.C.1311), which enables the Minister, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented land held by him in the Board, title remaining in the Board until the settler's interest thereon is fully paid. Under the provisions of these Regulations, the Board hereby requests that the right, title and interest of His Majesty in the N.E.¼ 35-66-24 W. 4th M. and Lot 15-67-24 W. 4th M. be vested in the Soldier Settlement Board. The Vesting Order covering same is attached hereto for the Minister's signature.

Respectfully submitted,

Ottawa,
2nd June,

JUN 5 1926
REGISTRATION BRANCH.

THE HONOURABLE CHARLES STEWART,
Minister of the Interior,
Ottawa.

MEMORANDUM:

Request for Transfer of Dominion Lands.

Re: Thomas Barnott, #811389.
N.W.¼ 31-66-23-W.4th M. - Hsd.

The above named settler secured advances from the Board totalling $1850., the Board taking a charge upon his unpatented homestead above described. Owing to such charge, patent to the homestead cannot be issued to the settler until his indebtedness to the Board has been fully discharged.

We are now in receipt of an application from Mr. Barnott requesting that patent to his homestead should be issued in favour of the Board. Mr. Barnott states that he has completed all duties in connection with his homestead and would be entitled to receive patent therefor were it not for our charge. This is confirmed by the letter from the Secretary of the Department to the settler, dated the 13th ultimo.

In order to enable a settler to negotiate a sale of land in cases of this character, special Regulations were promulgated by the Board as approved by the Governor in Council on the 4th day of June, 1921, (P.C.1821), which enables the Minister, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented land held by him in the Board, title remaining in the Board until the settler's indebtedness to it has been repaid. Under the provisions of these Regulations, the Board hereby requests that the right, title and interest of His Majesty in the N.W.¼ of 31-66-23-W.4th M. be vested in the Soldier Settlement Board. The Vesting Order covering same is attached hereto for the Minister's signature.

Respectfully submitted,

John Bennett

CHAIRMAN.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Memorandum -

Request for Transfer of Dominion Lands under Section 27 of the Soldier Settlement Act.

Re. A. P. Collins,
N.E. 19-64-21-W.4th (Hsd.)

The above described land was secured by this settler under homestead entry. The settler has made default in the terms of his agreement with the Board and his agreement has been rescinded.

Collins was established with loan on the 11th November, 1919, and obtained advances from the Board totalling $4043.84, as follows: for the purchase of land (N.E. 14-65-22-W.4th) and permanent improvements, $3375.00; further advances for permanent improvements, $115.00; stock and equipment, $400.00; special advances, $173.84. As security the Board holds a charge on the settler's homestead.

Rescission proceedings in this case were taken on the 20th April, 1920, on account of non-residence on the part of the settler and the fact that through his neglect five head of the cattle held by him from the Board had died. Settler, however, lodged a defence and made certain promises, as a result of which the proceedings were withdrawn. He did not, however, implement any of the promises that he made at the time of the withdrawal of the rescission proceedings and finally the case was definitely placed in adjustment on January 7th, 1921. The usual thirty Day Notice was forwarded to settler on January 14th, 1921 and he called at the District Office on January 20th, inst., requesting a further opportunity and was allowed thirty days in which to come through with a proposal acceptable to the Board. No arrangement was arrived at and, therefore, on March 16th, 1921, the settler's agreements were rescinded.

The land purchased for the settler has been resold and after crediting the amount of the sale price to the settler's account, the account shows that the settler is indebted to the Board in the sum of $507.65 (interest calculated to the 9th June, 1928). The settler's homestead is the only land security the Board has for this indebtedness. According to the last appraisal made in June, 1921, the value of the homestead is $440.00. The District Superintendent stated that he is quite certain that the sale of this (quarter section

The Honourable Charles Stewart,
Minister of the Interior,
Ottawa.

quarter section will not realize sufficient to cover the balance of the settler's indebtedness to the Board now charged together with administration charges which would total at least $100.00 in this case.

The land in question being charged land within the meaning of Section 27 of the Soldier Settlement Act, and the settler being in default with respect to the terms and conditions of the agreement made with the Board, it is hereby requested that the right, title and interest of the said settler in the above land be forfeited, and that the said right, title and interest of the settler, and also the right, title and interest of His Majesty to and in the said charged land be vested in the Board.

This request for title is not affected by the recent amendment to Section 26 of the Soldier Settlement Act, as the advances referred to in the second paragraph hereof were approved and made to the settler subsequent to his having obtained entry on the land in question.

A vesting Order for the Minister's signature is attached hereto.

J. G. Rattray

Chairman.

S. S. B. Form No. 476

TO ALL WHOM IT MAY CONCERN:

WHEREAS it is in effect provided in and by section 27 of the Soldier Settlement Act, 1919, Chapter 71, 9-10, Geo. V., that notwithstanding anything in the Dominion Lands Act or in any other Act, in the event of a settler who is holding any Dominion land on which a charge has been imposed, constituted or created by or under the said Act or the former Act, being in default with respect to the terms or conditions of any agreement of sale, mortgage or other document executed or made with or to the Soldier Settlement Board of Canada, (hereinafter called the Board) the Minister of the Interior, (hereinafter called the Minister), upon request made by the Board, may declare the right, title and interest of the settler to or in such charged land to be forfeited, whereupon the Minister may declare the said title or interest of His Majesty to or in such charged land to be vested in the Board.

AND WHEREAS A. P. Collins formerly of Colinton, in the Province of Alberta a settler holding the following described Dominion land, viz: North East ¼ of Section 18, Township 64, Range 21, West 4th

(Homestead Entry)

upon the security of which the sum of $4043.84 has been disbursed and upon which a charge has been created by virtue of the provisions of Section 26 of The Soldier Settlement Act, 1919, being in default with respect to the terms and conditions of the Agreement executed to the Board on the September 16th, 1919, in that he abandoned the land for the working, improvement and occupation of which advances were made to him by the Board, and otherwise failed to comply with the Loan Regulations of the Board, the undersigned upon a request

made by the Board found and determined that the settler has made default as hereinbefore recited and that the right, title and interest of the said settler to or in the said charged land should therefore be forfeited.

WITNESSETH that the undersigned pursuant to the powers and authorities conferred upon him by said section 27 hereby declares the right, title and interest of the settler in the said lands as well as the right, title and interest of His Majesty therein except Mines and Minerals whether solid, liquid or gaseous, shall be and the same are hereby vested in the Board.

Sir,-

N. E. ¼ Sec. 30 Tp. 24 Rge. 3 West 4 Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

John H. Patterson, Esq.,
VEGREVILLE, Alberta.

Your obedient servant,

Acting Commissioner
of Dominion Lands.

Note: Your seed grain and relief indebtedness to this Department amounts to $70.38 and interest from the 31st of March, 1927.

If you will communicate with the Agent of Dominion Lands at Calgary, he will inform you whether the N.E. 19-24-3-W. 4th is vacant and available for homestead entry.

- Dominion Advances

The above named obtained the following Dominion Advances for which a lien stands registered against the title.

Seed Grain 1919	$50.00
Interest to March 31,1954	123.01
	173.01

The debtor is 78 years old and due to his advanced years has found it necessary to quit farming and has sold this quarter section for one thousand five hundred dollars ($1,500.00) and retired to Elmwood, Ontario to live. He will be required to furnish a clear title to the purchaser and has approached this office for a compromised settlement. He has offered and remitted a payment of Fifty dollars($50.00) for discharge of the lien.

Mr. Patterson has no dependents. He has no sources of income except the Old Age Pension and the money realised from the sale of this land to provide for his remaining years.

In view of the age and circumstances of the debtor I believe that he has made a reasonable offer and would recommend that same be accepted.

I would further recommend that upon application being made of the above mentioned payment the account be adjusted so that it will stand paid in full and that the liens be discharged.

N.W of 35 59 17 4th

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1926, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Sir,-

S.W. ¼ Sec. 18 Tp. 49 Rge. 3 West 5 Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

The Secretary
Department of Interior
Ottawa.

Sir.

Re west for exemption of residence duties on
N.E.1/4 section 2;township 69;range 15 W of 4th Mer.

I beg to advise you that I filed a homestead entry on this land on July 6th 1914 at the Edmonton Agency.

When war broke out,being a French reservist with rank of Adjutant and four years active service,I wrote to the French General Consul for Canada offering my services and asking for instructions and also on August 9th to the Edmonton Agent of the Land Department as follows:

"I beg to inform you that being mobilizable as a French
"reservist I expect to leave for France at any moment and
"hereby request you to fully protect me in case I am not back
"to start improvements and residence duties inside of six
"months from date of entry.
"I am married and father of two children,expecting
"a third one by the end of this year.They lived in the
"Edmonton district during the last [illegible] and I am a British
"subject by naturalization since [illegible] wife and my children
"are Canadian born.My family will remain in Edmonton during
"my absence at the front.

On the 11th of August,a notice being posted at the railway offices, inviting all Frenchmen to join their regiments resident in France without further delay,I immediately resigned the position I was holding and on the 22nd of August left for New York.

I reached France early in September and as a military individual back will show,I was at the front with the 43rd of Infantry from the 16th of September and later on with the 1 [illegible] until the 14th of October,on which date I was wounded at Tilloloy near Roye and then transfered and treated at the Temporary Hospital No 9 of Vannes (Morbihan) until the 5th of January 1915 when I passed before a Medical Commission which declared me unable to return to the front "as a consequence of the wounds received at the enemy hand endured that I be sent home at the French Government expense but without allowing me any pension or other compensation whatever.

My wounds,as shown by the hospital papers,caused by one full of a shell,were at the left foot,right knee,chest and left side.

I returned to Barnton,an invalid,on the 31st of January 1915.
I am absolutely no income whatever and cannot do anything but
some work,being at present temporarily employed by a clerk in
the absence of the [illegible] Member to the [illegible]
[illegible],in London.

Owing the above two considerations,viz.the fact that the
[illegible] on which I filed to put a very convenient one,as I
might Mr.Thomas buy,the necessary expenses for that district
in the 1st case,& the sale of [illegible],of a house and the
[illegible] about to [illegible] of the Lord,the Hall of Fame is heavily
[illegible] I do not [illegible] it would be impossible for me to support my-
self and family with the requirements of the [illegible] regula-
tions as far as residence duties are concerned and I hereby,
respectfully beg [illegible] the Tribunal with them and [illegible] pe-
tition of the application hitch,I may be authorised to apply
for exemption.

I am,Sir,

Yours obediently,

L.Quattle

This is a very deserving
case and I hope the exemption
request will be granted

Ref. File #191328.

Sir,-

S.E. ¼ of Sec. 8 Tp. 56 Rge. 15 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Acting Commissioner
of Dominion Lands.

Sir,-

S.E.½ 31-15-3-4. 4th M.

I beg to advise you that as the Department received an official certificate of the death in action of your brother, Pte. J.J.Taylor, who held the above land under homestead entry, it was decided in October last that patent for this quarter-section might be issued in his name without calling for the performance of any further settlement duties.

Messrs. Morris and Babe, Barristers of Port William, Ontario, wrote the Department with regard to letters of Administration the issue of patent was delayed so that they might have an opportunity of filing a certified copy of same and having patent issue in the name of the legal representatives if so desired. Nothing has since been heard from this Firm, however, and it has now been decided in order to clear this matter up that patent will be issued forthwith in the name of the deceased entrant.

You will be notified of the issue of patent which will be forwarded to the Registrar for the land registration district in which the land is situated and in order to obtain transfer of title it will be necessary to meet the requirements of that official

Sir,-

N.W. ¼ Sec. 31 Tp. 24 Rge. 6 West 4 Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Acting Commissioner
of Dominion Lands.

Please have an examination made of this quarter-section by a Timber Inspector, at as early a date as possible, in order to ascertain if it can be withdrawn from the berth under Clause "G" of the license held by the Company, which provides that whenever any portion of a berth has not upon it timber of the kind and dimension described in the license, in sufficient quantity to make it commercially valuable, the Minister may, after an inspection has been made, declare such portion fit for settlement and withdraw it from the berth. Sir:-

On the 12th June, I inspected the N.E.¼ of Sec. 32 - 52 - 21 - W. 5th M. which is included in Timber Berth No. 1094. There is a small lake on the South East corner of this quarter which contains about 5 acres. There is also a Tamarac Swamp containing about 35 acres, being composed of timber ranging from 5 to 8 inches in diameter, and is therefore not large enough to be of any value. The remainder of this quarter is covered very thickly with small poplar, the being about 8 ft. high and from 1½ inches to 2½ inches in diameter. While this land is not very good for farming purposes, the timber on it is of no value and I would therefore recommend that this quarter be thrown open for homestead entry.
